

## TRAINEES

Start your career with an international graduate trainee program and be part of the Rail Cargo Group

**Deadline: 9. 7. 2017**

**Place of employment: Praha, Czech Republic and Vienna, Austria**

As an overall mobility provider, the ÖBB group takes 459 million passengers and 111 million tons of goods per year ecofriendly to the desired destinations. With EUR 2.1 billion turnover annually and about 8,400 employees, the Rail Cargo Group is one of the leading rail freight logistics companies in Europe. Based on the domestic markets of Austria and Hungary the Rail Cargo Group offers customized rail freight logistics solutions and ensures safe and reliable transportation on the environmentally friendly railway between the North Sea, Black Sea and the Mediterranean. The Rail Cargo Group has employees in 18 countries and stands for a new generation of logistics.

### **Start your 12-month trainee program at Rail Cargo Operator CSKD – Czech Republic, as Sales Manager.**

The graduate trainee program provides you with a unique experience focussing on transport and forwarding. Starting in September 2017, you will spend four months at the subsidiary in Praha, Czech Republic, followed by a four-month stay at the Rail Cargo Group in Vienna, after which you return to the international subsidiary.

### **Your Profile**

You are a young professional or graduate students with a **bachelor or master degree in transport management, business, logistics.**

You consider yourself as:

- multilingual: You are fluent in English. Additional German language skills are an advantage.
- a flexible team player: You have highly developed communication and social skills.
- open-minded: You are keen for intercultural experiences. Previous international experience is an advantage.
- mature, goal-oriented and assertive

You have:

- interest in railway logistics
- the willingness and motivation to deepen your competences within an international organization.

### **We offer**

- a friendly, appreciative working environment
- a 4-month-stay in Vienna
- training on- and off-the-job, excursions, mentoring and get-together with board members
- challenging tasks and the possibility to form a network with trainees & co-workers in several European countries
- future perspectives after completion of the program
- attractive remuneration

### **How to apply**

Please send your comprehensive application (CV, motivational letter, certificates) via E-Mail until 9<sup>th</sup> July 2017.

We are looking forward to welcome you to a personal interview. In order to emphasize diversity within our organization, we welcome female applicants and applicants with international background.
